## Movies Under the Moonlight

### **Boss Baby - July 11th** Event starts at 8:00 pm, Movie Starts at Dusk

A new baby's arrival impacts a family, told from the point of view of a delightfully unreliable narrator -- a wildly imaginative 7-year-old named Tim. The most unusual Boss Baby (Alec Baldwin) arrives at Tim's home in a taxi, wearing a suit and carrying a briefcase. The instant sibling rivalry must soon be put aside when Tim discovers that Boss Baby is actually a spy on a secret mission, and only he can help thwart a dastardly plot that involves an epic battle between puppies and babies.

### **Finding Dory - July 25th** Event starts at 8:00 pm, Movie Starts at Dusk

Dory (Ellen DeGeneres) is a wide-eyed, blue tang fish who suffers from memory loss every 10 seconds or so. The one thing she can remember is that she somehow became separated from her parents as a child. With help from her friends Nemo and Marlin, Dory embarks on an epic adventure to find them. Her journey brings her to the Marine Life Institute, a conservatory that houses diverse ocean species. Dory now knows that her family reunion will only happen if she can save mom and dad from captivity.

### **Lego Batman - August 8th** Event starts at 8:00 pm, Movie Starts at Dusk

There are big changes brewing in Gotham, but if Batman (Will Arnett) wants to save the city from the Joker's (Zach Galifianakis) hostile takeover, he may have to drop the lone vigilante thing, try to work with others and maybe, just maybe, learn to lighten up. Maybe his superhero sidekick Robin (Michael Cera) and loyal butler Alfred (Ralph Fiennes) can show him a thing or two.

### **Moana - August 22nd** Event starts at 8:00 pm, Movie Starts at Dusk

An adventurous teenager sails out on a daring mission to save her people. During her journey, Moana meets the once-mighty demigod Maui, who guides her in her quest to become a master way-finder. Together they sail across the open ocean on an action-packed voyage, encountering enormous monsters and impossible odds. Along the way, Moana fulfills the ancient quest of her ancestors and discovers the one thing she always sought: her own identity.
